| Session  | Start | End   | Presentation  | Speaker(s)                                    |
|--|-------|-------|---|---|
| <b>SATURDAY - 9 SEPTEMBER 2017</b>   |       |       |   |   |
| <b>BREAKFAST SESSION</b>   | 7:30  | 8:30  | Sponsored by    |   |
| Congress Opening Address   | 8:50  | 9:00  | CCLSA President's Welcome and Presentation of the Kenneth W. Bell Medal                           | Damien Fisher                                 |
| Kenneth W Bell Medal Address   | 9:00  | 9:40  | Kenneth W. Bell Medal Lecture   | John Mountford                                |
| <b>Session 1</b><br><i>Is our myopia management shortsighted?</i>  | 9:40  | 10:00 | Mates don't let mates get myopic - myopia in Australia and control techniques                     | Dr Paul Gifford, UNSW                         |
|  | 10:00 | 10:20 | OrthoK and myopia control - is it really okay?  | Prof Helen Swarbrick, UNSW                    |
|  | 10:20 | 10:40 | Do we lose control of anything when we control myopia?  | Kate Gifford                                  |
|  | 10:40 | 11:00 | How young is too old? - is there an optimal time for myopia control?                              | Prof Pauline Cho, HKPU                        |
| <b>MORNING TEA / EXHIBITION</b>  | 11:00 | 11:30 |   |   |
| <b>Session 2</b><br><i>DEWS II - Whetting our appetites for new knowledge in dry eye</i><br>Sponsored By  | 11:30 | 11:45 | What? Introduction, definition and classification of dry eye                                      | A/Prof Jennifer Craig, University of Auckland |
|  | 11:45 | 12:00 | Who? Dry eye; the causative factors   | Prof Fiona Stapleton, UNSW                    |
|  | 12:00 | 12:15 | How? Diagnostic assessment  | Prof Craig Woods, Deakin University           |
|  | 12:15 | 12:30 | Why? Management and therapy   | Dr Laura Downie, University of Melbourne      |
|  | 12:30 | 12:45 | When? Putting it into practice  | Dr Jim Kokkinakis                             |
|  | 12:45 | 13:10 | Panel discussion and live assessment  | All   |
|  | 13:10 | 13:15 | Johnson & Johnson Vision (AMO Australia Pty Ltd)  | Adrian Piekarski                              |
| <b>LUNCH / EXHIBITION</b>  | 13:15 | 14:10 |   |   |
| <b>Session 3</b><br><i>Eye tech is high tech</i>   | 14:10 | 14:30 | Wet to the touch - Looking at in pack wettability across silicon hydrogel materials               | Dr Rachael Peterson, Alcon                    |
|  | 14:30 | 14:50 | Is the soft option short sighted?   | Dr Arthur Back, CooperVision USA              |
|  | 14:50 | 15:10 | Making presbyopia comfortable   | Dr Jami Kern, Alcon USA                       |
|  | 15:10 | 15:30 | Scratching the surface of keratoconus - is the epithelium involved?                               | Dr Jingjing You, Save Sight Institute         |
| <b>AFTERNOON TEA / EXHIBITION</b>  | 15:30 | 16:00 |   |   |
| <b>Session 4</b><br><i>Surgery and the anterior segment</i>  | 16:00 | 16:20 | It's a frickin' laser! - Should we sit there and smile or flap around?                            | Dr Colin Chan                                 |
|  | 16:20 | 16:40 | Should we take a layered approach or cut the cookie? - corneal transplantation in Australia       | Dr Con Petsoglou                              |
|  | 16:40 | 17:00 | Turn it up! - Corneal cross-linking - should we turn up the power and who should be cross-linked? | Prof Stephanie Watson                         |
|  | 17:00 | 17:20 | Where will it end(othelium)? New developments in anterior eye surgery                             | Dr Greg Moloney                               |
| <b>CONGRESS DINNER</b>   | 19:00 | 23:00 |   |   |

## Congress Program

### 16th International Cornea and Contact Lens Congress

| Session  | Start | End   | Presentation  | Speaker(s)                                |
|--|-------|-------|---|---|
| <b>SUNDAY - 10 SEPTEMBER 2017</b>  |       |       |   |   |
| <b>BREAKFAST SESSION</b>   | 7:30  | 8:30  | Sponsored by  |   |
|  | 8:30  | 8:50  | <b>AGM</b>  |   |
| <b>Session 5</b><br><i>Therapeutic challenges of contact lens practice</i> | 8:50  | 9:10  | Breaking up is hard to do (good measurements on) - is FTBUT sufficient?                         | Prof Charles McMonnies, UNSW              |
|  | 9:10  | 9:30  | What can we do to contact lenses and contact lens systems to defeat the bigger idiot factor?    | Prof Fiona Stapleton, UNSW                |
|  | 9:30  | 9:50  | Acanthamoeba keratitis - what do we know and what can we do about it?                           | Dr Nicole Carnt, University of Sydney     |
|  | 9:50  | 10:10 | Dealing with allergic conjunctivitis and contact lens wear                                      | Heidi Hunter                              |
|  | 10:10 | 10:30 | Limbal stem cell deficiency - what it is and what to do about it                                | Dr Nicole Carnt, University of Sydney     |
|  | 10:30 | 10:50 | All out of oxygen? - Air supply and miniscleral contact lenses                                  | Dr Stephen Vincent, QUT                   |
| <b>MORNING TEA / EXHIBITION</b>  | 10:50 | 11:20 |   |   |
| <b>Session 6</b><br><i>Things you can try at home...</i>                   | 11:20 | 11:40 | Making contact lenses for kids OK   | Kate Gifford                              |
|  | 11:40 | 12:00 | How to do orthoK (really well!)   | Dr Oliver Woo                             |
|  | 12:00 | 12:20 | How to do orthoK (another perspective)  | Dr Adrian Bruce, ACO                      |
|  | 12:20 | 12:40 | Complications of Scleral Contact Lenses   | Gavin O'Callaghan, University of Adelaide |
|  | 12:40 | 13:00 | Keratoconus - how to approach the patient and rationalise a treatment plan                      | Paul Rose                                 |
| <b>LUNCH / EXHIBITION</b>  | 13:00 | 14:00 |   |   |
| <b>Session 7</b><br><i>More things you can try at home...</i>              | 14:00 | 14:20 | Hard? Soft? Why not both! - a clinical perspective on hybrid contact lenses                     | Mark Hinds                                |
|  | 14:20 | 14:40 | Getting a good look at the problem - tips for anterior segment imaging                          | Michael Yapp, CFEH                        |
|  | 14:40 | 15:00 | But I was told I couldn't wear contact lenses because I have astigmatism!                       | Margaret Lam                              |
|  | 15:00 | 15:20 | How to handle the little things - applications of corneal RGP contact lenses                    | Alan Saks                                 |
|  | 15:20 | 15:40 | The old man and the ability to see - contact lenses in presbyopia                               | David Stephensen                          |
| <b>AFTERNOON TEA / EXHIBITION</b>  | 15:40 | 16:00 |   |   |
| <b>Session 8</b><br><i>Even more things you can try at home...</i>         | 16:00 | 16:20 | Interpreting the corneal rainbow - finding the meaning in corneal topography maps               | Dr Randy Kojima, Medmont                  |
|  | 16:20 | 16:40 | The highs and lows of contact lenses - managing extreme ametropia                               | Mark Koszek                               |
|  | 16:40 | 17:00 | My OCT and me - utilising OCT for more precise contact lens fitting                             | David Stephensen                          |
|  | 17:00 | 17:20 | Life, the Universe and Everything Contact Lenses  | Alan Saks                                 |
| <b>Congress Closing Address</b>  | 17:20 | 17:30 | CCLSA President's Farewell  | Damien Fisher                             |
